EDUCATION

Maharaja Surajmal Institue of Technology

B.Tech in Computer Science and Engineering

CGPA: 9.344(upto 5th sem)

Delhi, India

2021-2025

PROJECTS

CODE HUB | *React.js, Tailwind Css* | [Deployment](#)

Feb 2024

- Developed a fully functional Code Editor using **judge0 rapid-api**.It compiles the code of more than **40 programming languages**.Implemented the ability to execute a program for a different test case using custom input.
- [Repository Link](#)

BLOOD CHAIN | *React.js, Node.js, Express.js, MongoDB, jwt-auth, Bootstrap* | [Deployment](#)

Feb 2024

- Blood-Chain is a **full stack blood bank ecosystem** designed to **minimize blood waste** and facilitate an **efficient blood donation process**.
- Worked on the application's **front end structure (a hackathon project)**.made it into the **top 20** hackathon teams.
- [Repository Link](#) [Video Demo Link](#)

WEATHER APP | *ReactJs, Semantic UI* | [Deployment](#)

Aug 2023

- Developed a fully functional Weather App using modern web technologies, including **Reactjs and Semantic UI**.Integrated the **OpenWeatherMap API** to fetch real-time weather data and display it to users, providing accurate weather information.
- [Repository Link](#)

ACCOMPLISHMENTS

GeeksForGeeks: Solved over 400 Questions [kshitiz01sharma](#)

CodingNinjas: Expert at CodeStudio [Kshitiz01sharma](#)

LeetCode : Rating among top 25 percent (Max Rating:1655) [Kshitiz01sharma](#)

TECHNICAL SKILLS

Languages: C/C++, Java, JavaScript, Python

Frameworks: React.js, Express.js, Node.js, Bootstrap, Tailwind Css

Database: MongoDB, MySQL, PostgreSQL

Developer Tools: Git, GitHub, Visual Studio, Postman, Figma, Canva

Core Fundamentals: OOPS,DBMS,Operating Systems,Computer Networks

LEADERSHIP AND VOLUNTEERING

GOOGLE DEVELOPER STUDENT CLUBS | *DSA Expert*

Sept 2022- July 2023

- Member of the **technical team** that assisted in planning a **Polygon and Solana-sponsored successful overnight hackathon**.
- Organize different **coding quiz and contests** on the GDSC MSIT discord channel.

TECHSoc MSIT | *Technical Co-head*

Sept 2022- July 2023

- Volunteered in more than **5 offline events** organised by our society.
- Led the **tech team** in recruiting the students for the next tenure.

CERTIFICATES AND ACHIEVEMENTS

- * **6th rank** in Coding Ninjas Coding Contest: [Certificate Link](#)
- * Completed Hacktoberfest'22 (4 **pull requests merged**).
- * Earned **9 Google Cloud Badges**. [Profile Link](#)
